RE: Reservation and Deposit Policy for 2018-2019 Winter Season

Per the established Board of Directors Policy, we will use the staggered reservation system as we have in years past. This system allows the length of the reservation to determine when the reservation can be made in order to give priority to longer-term reservations. This policy applies to current members. On January 2, 2018, we will begin accepting month to month camping reservations for next season. These reservations will be accepted for arrival dates beginning October 1, 2018 through March 31, 2019. Here is the reservation schedule for this year:

January 2 to January 8	We will accept 6 month and greater reservations
January 9 to January 15	We will accept 5 month and greater reservations
January 16 to January 22	We will accept 4 month and greater reservations
January 23 to January 29	We will accept 3 month and greater reservations

Sunsport will require a site reservation deposit of \$300 for primitive tenting sites, \$420 for primitive rv sites and \$540 for standard sites. Of the deposit, \$100 is non-refundable if for a specific site. Any reservation cancelled less than 30 days in advance but greater than 14 days is subject to a 50% refund. No refund will be made for reservations cancelled less than 14 days in advance. Should a guest depart early, the guest may not participate in the site selection process in the future.

Reservations for 3 months or longer may be made for specific sites. Those on an existing site will have priority for that site among those applying for the same length of stay. Please let us know the site you are reserving at the time the reservation is made. The Office has a list of available sites. Reservations for periods less than 3 months will be accepted, but not for particular sites. **If changes are made to reservations that are less than the original reservation length for a specific site, the specific site choice can no longer be guaranteed.**

We look forward to having you back next year as part of our community. Please let us know if you have any questions or concerns on this policy.
