

Sunspport Gardens Family Naturist Resort Youth Camp 2010

Welcome to our Fourth Annual Youth Camp July 18 - July 25

Attention all naturist youth campers: here we go again! This is a clothes-free camping experience. Sunspport Gardens Family Naturist Resort in Loxahatchee Groves, Florida, is proud to be hosting The Naturist Society's Fourth Annual Youth Camp. We invite you to come enjoy eight fun filled days at Sunspport Gardens Family Naturist Resort. The camp program emphasizes body acceptance and the development of a positive body image which will enhance self-esteem. Campers will also develop positive relationships and learn naturist ideals.

During this fun filled week, campers will be living in tents (if the weather is inclement there are alternative accommodations). Campers will participate in workshops that will help them to feel good about themselves, encourage team work and develop new friendships. Activities during this fun filled week will include body acceptance games, sing-a-longs, swimming in Sunspport Gardens pool, arts and crafts, outdoor sports like wiffle ball, tug of war, and slip-n-slide (all with an interesting messy twist), dancing, karaoke, a ten foot sundae, nightly campfires with s'mores, and many opportunities to explore Sunspport Gardens' 40 acres of natural beauty. We also have a planned day trip to clothing optional Haulover Beach. This is to just name a few!

The camp is designed for young people of all ages. For the very young special arrangements will need to be made with the parents to ensure a positive camp experience. For the older camper, we encourage your help as counselors. Parents, especially those of young campers, are encouraged and welcome to stay at Sunspport Gardens during the week of Youth Camp.

Without exception campers will grow in independence, self-reliance and creativity and will develop strong bonds and lasting new friendships, all while having a wonderful fun-filled time that they will always remember.

Sunspport Gardens Family Naturist Resort, located 14 miles west of West Palm Beach, offers volleyball, tennis, horseshoes, and petanque, an 87 degree heated swimming pool,
